OUR JOURNEY

CORPORATE PHILOSOPHY

Our Vision

Our vision is to become a global Health Care organization driven by people, research and technology, and to be recognized as domestic and internationally integrated Health Care and pharmaceutical company through innovation, quality and competence.

Our Mission

Our mission is to become globally acclaimed pharmaceutical company through development and introduction of wide portfolio of Pharmaceutical Foundations along with Nutraceutical as well as Ayurvedic products in key global pharmaceutical markets.

Our Values

Quality and Safety

Being a Health Care company, quality is the central focus in all our manufacturing processes. Conducive to achieving quality, we also provide a safe working environment and maintain adequate policies to achieve the level of quality we desire.

Innovate and Excel

Our strength lies in our workforce. We encourage our employees to always strive for innovation and excel beyond the norm. At Zota, every working opportunity comes with passion, dedication and the zeal to excel.

Integrity and Transparency

At Zota, we are fully committed to adhering to principles of transparency while conducting business and upholding every transaction with the highest level of integrity so as to garner trust from our stakeholders.

“ Our strongest desire is touching people’s lives with affordable medicines. Working towards affordable healthcare is deeply ingrained in our corporate philosophy. With our latest endeavour - davaindia, we can proudly say that we have come closer to achieving our goals. In less than 2 years, we have launched 148 davaindia stores and served more than 7.9 lakh customer.”

NOTE FROM THE MANAGEMENT

Mr. Ketan Zota | Chairman

Mr. Moxesh Zota | Managing Director

Dear Shareholders,

It gives us great pleasure to share with you our business performance and milestones achieved for the financial year 2018-19. **This financial year has been of significant importance to the company, we did not witness an increase in our profitability in the current year, but we are a lot closer to achieving our long-term goals by the end of FY19.** All 3 businesses witnessed a superior performance. To start with, domestic marketing segment continued to remain the core business contributor for FY19 as well, while the revenue contribution for this business has come down to 72% in FY19 as compared to 85% in FY18, this has been primarily due to a superior growth in our other businesses.

At the same time, our export business witnessed a staggering 51% increase in revenue from operations, the contribution of exports in our consolidated revenues are at an all-time high of 21%. This performance was a result of back-loaded receipt in dossier approvals in foreign markets along with an increased focus towards direct exports, instead of merchant exports. The past two years' performance of export businesses, strengthens our belief that export will be a significant growth contributor in our journey for the coming years. Our retail pharmacy operations - davaindia, achieved newer heights as well. We rolled-out 101 stores in a single year to reach the milestone of 148 stores in July 2019. Our average store roll-out for the last few months remains higher than 10 per month, we plan to increase this further. This year, for the first time, we witnessed a 7% contribution in revenue from operations from the retail pharmacy business. Not only are we witnessing good feedback from new franchisee partners, but also the matured stores. Our top 10 stores with an average age of 12+ months have recorded an average sales of 3.26 Lakhs per month. We have also expanded our geographical footprint to 7 states and more than 42 districts, apart from tier-2 and tier-3 cities which were targeted in the initial phases of store roll-out, we have planned to launch davaindia in metro-markets like Mumbai. For Mumbai, davaindia has targeted a shop-in-shop model with the retailers, along with the complete exterior branding of a davaindia store. Targeting metropolitan cities like Mumbai marks a huge development in the journey of davaindia. **Even with 148 stores in operations and another 80 in the pipeline, we still believe we have only started scratching the surface of this enormous opportunity.**

On the corporate front, the company migrated to NSE mainboard from NSE Emerge on the 19th of August 2019. The board of directors had also recommended a bonus issue in the ratio of 4:10, which was approved by the shareholders. Apart from that, the Board of Directors has recommended a final dividend of Rs. 1 per share for the financial year 2018-19.

To conclude my thoughts, our company continues to be an aggregation of three complementing business models. While our conventional domestic marketing business remains the core business for the company, the second-generation business models as retail pharmacy chain - davaindia and export business will take our company to newer heights.

Warm regards.

Mr. Himanshu Zota | Whole-time Director

Mr. Kamlesh Zota | Whole-time Director

Mr. Manukant Zota | Whole-time Director

ALL ABOUT GENERIC DRUGS

What is Generic Drug?

A generic drug is a medication created to be the same as an existing approved brand-name drug in dosage form, safety, strength, route of administration, quality, and performance characteristics.

A generic medicine works in the same way and provides the same clinical benefit as its brand-name version. This standard applies to all FDA-approved generic medicines. A generic medicine is the same as a brand-name medicine in dosage, safety, effectiveness, strength, stability, and quality, as well as in the way it is taken and should be used.

Why do generic medicines cost less than brand-name medicines?

Generic medicines tend to cost less than their brand-name counterparts because they do not have to repeat animal and clinical (human) studies that were required of the brand-name medicines to demonstrate safety and effectiveness. In addition, multiple applications for generic drugs are often approved to market a single product; this creates competition in the marketplace, typically resulting in lower prices. The reduction in upfront research costs means that, although generic medicines have the same therapeutic effect as their branded counterparts, they are typically sold at substantially lower costs.

When multiple generic companies market a single approved product, market competition typically results in prices about 85% less than the brand-name.

How do generics benefit the healthcare system of a country?

Generic drugs, being economical counterparts of branded drugs, play a major role in reducing overall healthcare costs. Owing to this, the governments of various countries are regulating and introducing policies for boosting their sales. An increase in the prevalence of chronic diseases such as cardiovascular diseases, diabetes, Alzheimer's disease, and Parkinson's disease, in both the developing and developed regions, is creating a positive outlook for the generic drug manufacturers. In the USA, generics account for more than 80% of overall pharmaceutical volumes. In Western Europe, generics account for a significant portion of volumes as well. In Japan, the government has been encouraging higher generics penetration to bring down healthcare costs. All emerging markets rely on branded generics and/or pure generics to service their healthcare needs, given the lower purchasing power of their population.

Hence, generics will continue to be an integral part of the solution to control global healthcare costs and has an important role to play in overall healthcare management.

MANAGEMENT DISCUSSION AND ANALYSIS

Global Pharmaceutical Industry (1.1)

Global spending on medicines crossed US\$ 1.2 Trillion in 2018; and is projected to grow at a compound annual growth rate (CAGR) of 3-6% in the next five years, reaching over US\$ 1.5 Trillion by 2023. The USA and pharmerging markets would be the one's leading growth in the global pharmaceutical markets. New product launches, especially specialty products, will be the key growth catalyst in developed markets. While pharmerging market expansion will be driven by multiple factors

such as - improving per capita income, increasing volumes of branded generics, increasing healthcare awareness, ageing population and rising incidence of chronic ailments. The product mix in the developed world will continue to shift towards specialty and orphan products. Emerging technologies are enabling healthcare providers to innovate and engage better with key stakeholders.

Global pharmaceutical spending and growth

Regions	2018 (US\$ Billion)	2014-2018 CAGR(%)	2023 (US\$ Billion)	2019-2023 CAGR(%)
Developing markets	800	5.7	990-1,020	3-6
Pharmerging markets	286	9.3	355-385	5-8
Rest of the world	119	3.2	130-160	2-5
Global pharmaceutical market	1,205	6.3	1,505-1,535	3-6

(Source - IQVIA Institute)

Indian Pharmaceutical Industry (1.2)

India holds a key position in the global pharmaceutical industry. **India remains critical in manufacturing high-quality and low-cost medicines for domestic as well as international markets.** The country is the world's largest supplier of generics, accounting for 20% of global exports (volumes). It supplies over 50% of global demand for various vaccines and 40% of the demand for generic products in the US. Currently, Indian drugs are exported to more than 200 countries in the world. The domestic pharmaceutical market contributes to ~3.1-3.6% of the global industry in value and ~10% in volume terms. Indian pharmaceutical industry has received foreign direct investment (FDI) worth ~US\$

16 Billion on a cumulative basis, between April 2000 and June 2018. India's pharmaceutical spending is predicted to grow at 8-11% CAGR in the 2019-23 period to reach a size of US\$ 28-32 Billion. A part of this growth will depend on the ability of companies to align their product portfolio towards therapies for chronic diseases that are on the rise. India has among the lowest spends on healthcare, at about 4.5% of the GDP against the global average of 9%. This gap has prompted the Government of India to actively focus on policies that provide impetus to the healthcare sector.

Outlook

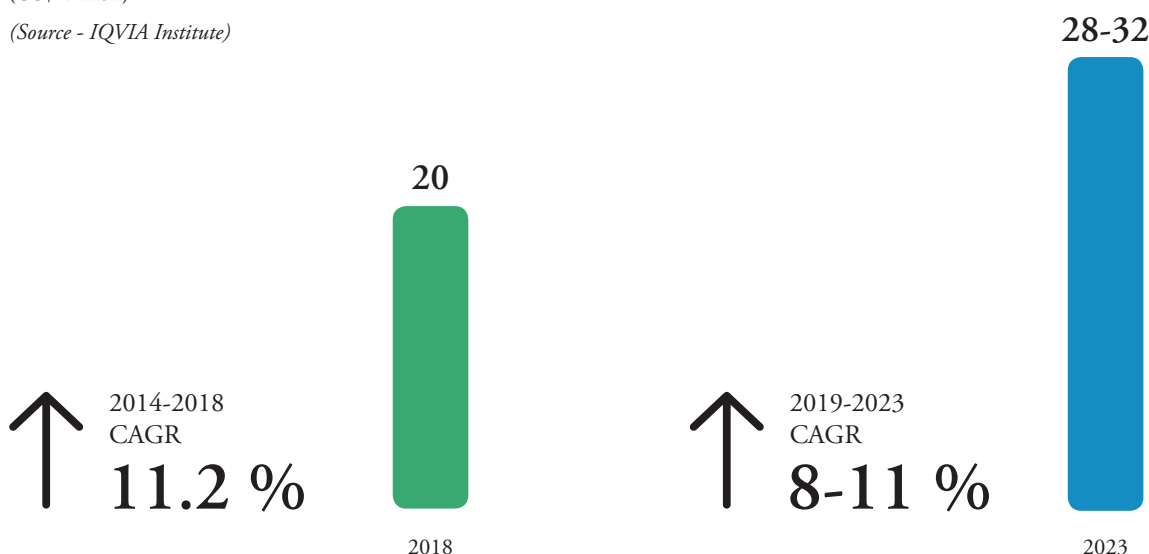

Indian medicine spending is projected to grow 9-12 percent over the next five years, leading India to become one of the top 10 countries in terms of medicine spending. Moving ahead, better growth in domestic sales would also depend on the ability of companies to align their product portfolio towards chronic therapies for diseases such as cardiovascular, anti-diabetes, anti-depressants and anti-cancers that are on the rise. **The Indian government has taken many steps to reduce costs and**

bring down healthcare expenses. Speedy introduction of generic drugs into the market has remained in focus and is expected to benefit the Indian pharmaceutical companies. Besides, the thrust on rural health programs, lifesaving drugs, and preventive vaccines also augurs well for the pharmaceutical companies.

India's pharmaceutical spending and growth

(US\$ Billion)

(Source - IQVIA Institute)

Zota's latest endeavor is a major step in line with its philosophy of providing affordable healthcare to the masses.

davaindia - is a generic pharmacy chain that provides generic alternatives to the costlier branded medicines available in the market.

Company Overview (2.1)

Incorporated in 2000, Zota Health Care Limited is a multidimensional pharmaceutical company engaged in the manufacturing and marketing of various generic drugs, OTC pharmaceutical products, ayurvedic products, and nutraceutical products. The company has a global footprint in more than 22 countries apart from its pan-India presence with 1050+ domestic distributors. The company's product portfolio comprises of 3000+ products and 250+ FDFs. The company operates out of its headquarters and registered office in Surat, Gujarat. The

company also has a formulations manufacturing facility located in Sachin SEZ which is close to Surat. This facility caters to the export business of the company. Zota's latest endeavor is a major step in line with its philosophy of providing affordable healthcare to the masses. **davaindia** - is a generic pharmacy chain that provides generic alternatives to the costlier branded medicines available in the market. In less than 2 years, Zota has launched 148 **davaindia** stores throughout the country and served 7.9 Lakh customers.

Marketing of generic drugs, OTC products, and other pharmaceutical products remains our core business segment. In the past, this segment has single-handedly driven the growth of the company.

We procure finished dosage forms (FDFs) from domestic formulations manufacturers and then market them under our portfolio of brands. Our suppliers are some of the largest incumbents in the industry, we maintain multiple sources of supply to avoid any concentration risks. Our top 5 suppliers contribute not more than one-third of our total supplies in FY19. We have a product portfolio of more than 3000 products in various categories such as generics, OTC products, allopathic, ayurvedic, etc. These products are directly supplied to our distributors across the country, who in turn supply them to retail pharmacies in their respective districts. Currently, we have 1050+ distributors present across India. We maintain exclusive distributors in each district to avoid the possibility of any conflict and unhealthy competition among distributors. Our distributors engage in ethical marketing or other sales, distribution, and promotion activities on their part, instead of the company directly engaging in such activities. We have eliminated multiple intermediaries in our distribution chain like - stockists, super-stockists, carrying and forwarding agents, wholesalers, instead we directly supply to our distributors and incentivize them better. This motivates them to engage in the sale and distribution of our products.

Our Value Chain

Performance Discussion and Outlook

Revenue from this segment witnessed a de-growth of 6.4% in FY19 on a y-o-y basis, down from 6,746 Lakhs to 6,312 Lakhs. Revenue contribution from this segment has come down to 72% in FY19 down from 85% in FY18, which was primarily due to superior growth in export operations along with additional revenue contribution from the retail pharmacy chain.

Future performance of this segment will depend on creating a better brand recall for our products, better distribution network, and enhanced product portfolio. We expect to maintain 8-10% annualized growth in this segment.

8-10%
expected annualized
growth

Exports (b)

21 % Revenue Share		Revenue 5-yr CAGR 33.2 %
Revenue in FY19 1,808 Lakhs	~22% Capacity Utilisation	203/273 International Product Approvals vs. Filed
 22 Countries International Presence		250+ Product Portfolio

We undertake our manufacturing operations at our manufacturing facility located in Sachin SEZ, Surat. Under the rules pertaining to this SEZ, we have to export all the output that comes out of this unit. Presently we have approvals in more than 22 countries, mainly in the semi-regulated and regulated markets in the African, Asian, CIS and Latin-American region. We manufacture about 250 formulations in this unit and also engage in contract manufacturing for other exporters.

We have applied for 273 dossiers in 19 countries, out of which we have received 203 product approvals. Factors such as the back-loaded receipt of product approvals, increased direct exports rather than merchant exports, and exclusive distributors in foreign markets have led to phenomenal progress in operations of this segment in the last two years. In the financial year 2018-19, we have also set up a wholly-owned subsidiary in Sri Lanka to grow operations in the sub-continent.

Performance Discussion and Outlook

Revenue from this segment witnessed a massive growth of 51.2% in FY19 on a y-o-y basis, up from 1195 Lakhs to 1807 Lakhs. Revenue contribution from this segment has come up to an all-time high of 21.1% in FY19 as compared to 15.0% in FY18. Going ahead, the export segment is expected to be a major contributor in incremental business for the company. The performance of this segment will be depended upon deeper penetration in existing markets, along with a higher number of product approvals in existing as well as untapped markets. Currently, the company has 70 products under registration, in 10 countries, out of which 5 countries would be newly-tapped markets.

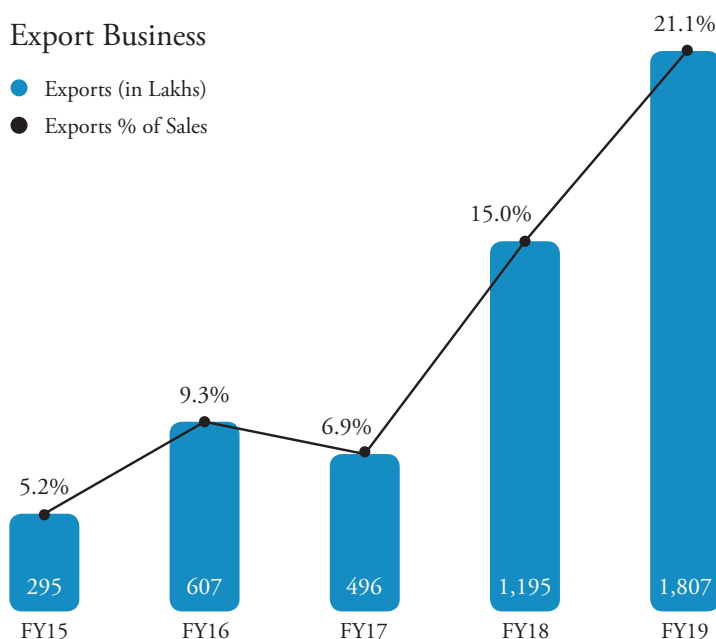

Exports will prove to be one of the most promising segments for the company.

Major export markets are Nigeria, Kenya, Myanmar and Cambodia.

Factors such as the back-loaded receipt of product approvals, increased direct exports rather than merchant exports, and exclusive distributors in foreign markets have led to phenomenal progress in operations of this segment in the last two years.

A chain of retail pharmacy stores that sells only generic medicines and OTC products at a substantial discount, of 30-90%

Commenced operations in October 2017, this segment is the most recent and ambitious business division undertaken by Zota Health Care Limited. In line with its philosophy of providing affordable health care in India, the company has come up with a one-of-kind concept, wherein it is operating a **chain of retail pharmacy stores** that sells only generic medicines and OTC products at a substantial discount, of 30-90%, in comparison to branded medicines and products. The stores are operated under the name of -davaIndia.

Performance Discussion and Outlook

In the financial year 2018-19, this segment recorded a sales of 598 Lakhs as compared to almost nothing in its previous financial year. The strong revenue from operations in this segment was driven by a massive store roll-out, along with the completion of gestation period for the existing stores.

The performance of this segment is still in its nascent stages as compared to the potential of this model. A large number of stores were launched in

the second half of FY19, which haven't matured yet and are expected to record superior performance in the coming financial year. As of date we have more than 80 stores in pipeline, to launched in the coming quarter. The company also has vision to expand its chain to 3000 stores by the end of FY2022. The opportunity for economical generic medicines coupled with a good delivery and distribution channel is very large in India.

The company also has vision to expand its chain to 3000 stores by the end of FY2022.

The opportunity for economical generic medicines coupled with a good delivery and distribution channel is very large in India.

Threats, Risks and Concerns

Our industry is one of the most regulated industries in the world. Being a pharmaceutical company, we have to follow various rules and regulations.

Change in the regulatory norms of India or the exporting countries may affect the operations of our company.

Malpractices by some of the players in the industry may affect overall performance of the emerging players.

Our business is working capital intensive, our inability to manage the same may adversely affect our business.

Our retail pharmacy business is brand centric. Any malpractices or dissatisfaction with our products may harm our brand and subsequently our business.

Our export business exposes us to the risk of currency fluctuations. Any unhedged exposures may lead to future losses.

Financial Ratios

Financial Ratios	FY2017-18	FY2018-19	% Change	Comments
Operating Profit Margin	14.80	9.20	(37.70) %	The operating profit margins have deteriorated due to an increase in Sales, General and Administration expenses, due to expansion of retail pharmacy business.
Net Profit Margin	9.16	6.37	(30.50) %	The net profit margins have deteriorated primarily due to a decrease in operating profits.
Return on Net Worth	10.42	8.05	(22.70) %	-
Current Ratio	2.60	3.10	20.7%	-
Debt to Equity	0.00	0.00	0.00%	-
Interest Coverage Ratio	94.8	214.5	126.2%	The interest coverage ratio has increased due to decrease in interest and financial costs, the company is debt-free and hence has no major interest expenses.
Inventory Days	113.8	138.6	21.7%	-
Receivable days	107.5	94.2	(12.4) %	-

Internal Controls and Adequacy

The Company has in place an adequate system of internal control commensurate with the size and nature of its business. These have been designed to provide reasonable assurance that all assets are safeguarded and protected against loss from unauthorized use or disposition and that all transactions are authorized, recorded and reported correctly and

the business operations are conducted as per the prescribed policies and procedures of the Company. The Audit Committee and the management have reviewed the adequacy of the internal control systems and suitable steps are taken to improve the same.

Human Resource Development and Industrial Relations

Your Company firmly believes that its human resources are the key enablers for the growth of the Company and important asset. Hence, the success of the Company is closely aligned with the goals of the human resources of the Company. Taking into this account, your Company continued to Invest in developing its human capital and establishing

its brand on the market to attract and retain the best talent. Employee relations during the period under review continued to be healthy, cordial and harmonious at all levels and your Company is committed to maintaining good relations with the employees.

Cautionary Statement

Statements in the Management Discussion and Analysis, describing the Company's objective, projections, estimates, expectations, may be forward-looking statements. Actual results may differ materially from those expressed or implied due to various risks and uncertainties. Important factors that could make a difference to the Company's

operations include economic and political conditions in India and other countries in which the Company operates, volatility in interest rates, changes in government regulations and policies, tax laws, statutes, and other incidental factors. The Company does not undertake to update these statements.

EXPLANATORY STATEMENT

in respect of special business pursuant to section 102 of the Companies Act, 2013

Item No. 4:

M/s S. R. Somani & Co., Chartered Accountants, appointed as Statutory Auditor of the Company to fill up casual vacancy caused due to resignation of M/s D S M & Co., chartered Accountants and holds the office as Statutory Auditor of the Company till the conclusion of this Annual General Meeting.

As the term of the aforementioned Statutory Auditor is completed on this Annual General Meeting; Company is required to appoint another auditor for the period of five years.

The Board of Directors at its meeting held on August 21, 2019, after considering the recommendations of the Audit Committee, had recommended for the appointment of M/s Shivangi Parekh & Co., Chartered Accountants, (Firm Registration No. 131449W), as the Statutory Auditors of the Company for approval of the members. The proposed Auditors shall hold office for a period of five consecutive years from the conclusion of the 19th Annual General Meeting till the conclusion 24th Annual General Meeting of the Company.

The Company has received letter from the M/s Shivangi Parekh & Co., Chartered Accountants, that their appointment, if made, would be within the prescribed limits under section 139(2) of the Companies Act, 2013 and that they are not disqualified for such appointment under section 141 of the Companies Act, 2013.

Pursuant to Section 102 of the Companies Act, 2013, The Board of Directors of the Company do hereby confirm that none of its Director or Key Managerial Personnel and their immediate relatives are concerned or interested, financially or otherwise, in the aforesaid resolution.

The Company shall pay proposed fee Rs. 5 Lakh per annum to M/s Shivangi Parekh & Co.; however, the same shall be reviewed by the Board from time to time and accordingly fees payable to auditor shall be changed. Further, there were no material changes in terms of payment of fee payable to new auditor.

Board of Directors of the Company recommended passing resolution set out in Item No. 4 of the Notice as an Ordinary Resolution.

Item No. 5:

Mrs. Bhumi Maulik Doshi (DIN: 08456082) was appointed as an Additional Director of the Company on 30th May, 2019 in accordance with provisions of section 161 of the Companies Act, 2013 (the "Act"). As per section 161 of the Companies Act, 2013 Mrs. Bhumi Maulik Doshi can hold office upto the date of ensuing Annual General Meeting of the Company.

On the recommendation of Nomination and Remuneration Committee of the Board of Directors of the Company, The Board of Directors has appointed her as a Non-Executive Independent Director for the term of five years starting from 30th May, 2019 subject to the members approval in ensuing general meeting and she is not liable to retire by rotation. Apart from the sitting fees as may be decided by the Board of Directors from time to time for attending Board or Committee meetings, she will not receive any remuneration. Mrs. Bhumi Maulik Doshi is independent to the Company and possesses required qualifications and skills.

Mrs. Bhumi Maulik Doshi satisfies all the conditions set out in Schedule IV to the Companies Act, 2013 as also conditions set out under subsection (6) of Section 149 of the Companies Act, 2013 for being eligible for his reappointment. He is not disqualified from being appointed as Director in terms of Section 164 of the Act.

Brief Profile of Mrs. Bhumi Maulik Doshi

Mrs. Bhumi Maulik Doshi is commerce graduate and pursuing course of Chartered Accountancy from The Institute of Chartered Accountants of India (ICAI) and Master of Commerce from the Veer Narmad South Gujarat University, Surat. She is working in accounts department of D.D. Constructions Pvt. Ltd. since last three years and also doing practice in Goods and Service Tax (GST) since last two years. So, she is well versed with accounting and GST related matters.

As on the date of this notice she has held 1400 shares in the Company.

Keeping in view of her experience in accounts and GST related matters it is in best interest of the Company to appoint her as an independent director of the Company. Accordingly, the Directors recommend the matter and the resolution set out under Item no. 5 for the approval of the Members by way of passing an Ordinary Resolution.

Pursuant to Section 102 of the Companies Act, 2013, The Board of Directors of the Company do hereby confirm that except Mrs. Bhumi Maulik Doshi, to the extent of her shareholding; none of its Director or Key Managerial Personnel and their immediate relatives are concerned or interested, financially or otherwise, in the aforesaid resolution.

Item No. 6:

Mr. Vitrag Sureshkumar Modi (DIN: 08457204) was appointed as an Additional Director of the Company on 30th May, 2019 in accordance with provisions of section 161 of the Companies Act, 2013 (the "Act"). As per section 161 of the Companies Act, 2013 Mr. Vitrag Sureshkumar Modi can hold office upto the date of ensuing Annual General Meeting of the Company.

On the recommendation of Nomination and Remuneration Committee of the Board of Directors of the Company, The Board of Directors has appointed him as a Non-Executive Independent Director for the term of five years starting from 30th May, 2019 subject to the members approval in ensuing general meeting and he is not liable to retire by rotation. Apart from the sitting fees as may be decided by the Board of Directors from time to time for attending Board or Committee meetings, he will not receive any remuneration. Mr. Vitrag Sureshkumar Modi is independent to the Company and possesses required qualifications and skills.

Mr. Vitrag Sureshkumar Modi satisfies all the conditions set out in Schedule IV to the Companies Act, 2013 as also conditions set out under subsection (6) of Section 149 of the Companies Act, 2013 for being eligible for his reappointment. He is not disqualified from being appointed as Director in terms of Section 164 of the Act.

Brief Profile of Mr. Vitrag Sureshkumar Modi

* The Company has incorporated wholly owned subsidiary Company in the Financial Year 2018-19, prior this there were no subsidiary company, so consolidated financial statements for the Financial Year 2017-18 have not been prepared.

Dividend

The Board is pleased to recommend a dividend of 10% i.e. Re.1 per equity share for the financial year 2018-19. The dividend if approved by the members will be paid to the members within time limit defined in the Companies Act, 2013.

Investor Education and Protection Fund:

During the year, there were no amounts which were required to be transferred to the Investor and Education Protection Fund.

Transfer to Reserve:

The company does not propose to transfer any amount to General Reserves.

Statement of Company's Affairs

- Revenues for the Financial Year 2018-19 was higher by 9.84% YoY to Rs 8,717.4 lakhs, backed by strong growth in export business.
- Profit after tax for Financial Year 2018-19 was lower by 23.61% YoY to Rs 555.2 Lakhs with higher pre-operative expenses towards Davaindia which has impacted the Profit after taxes (PAT). However, the decline in PAT is a mere aberration and with Davaindia initiative picking up it expects stronger sales volume tapering the effect of the expenses.
- During the year, export revenue of the Company was higher by 51.91% YoY to Rs. 1807.73 Lakhs.
- Starting with four stores from October, 2017, Davaindia store expansion have doubled at 127 stores as on March 31, 2019 with higher number of stock keeping units per store.

The policy has a systematic mechanism for directors and employees to report concerns about unethical behavior, actual or suspected fraud or violation of the Company's Code of Conduct or policy. The detailed Whistle Blower Policy & Vigil Mechanism available on below link:
http://www.zotahealthcare.com/images/cms/cmsfile/Vigil_Mechanism.pdf

Risk Management

Risks are events, situations or circumstances which may lead to negative consequences on the Company's business. Risk Management is a structured approach to manage uncertainty. An enterprise wide approach to Risk Management is being adopted by the Company and key risks will now be managed within a unitary framework. As a formal roll-out, all business divisions and corporate functions will embrace Risk Management Policy and Guidelines, and make use of these in their decision making. Key business

risks and their mitigation are considered in the annual/strategic business plans and in periodic management reviews. The risk management process over the period of time will become embedded into the Company's business system and processes, such that our responses to risk remain current and dynamic.

Directors Responsibility Statement

Pursuant to the provisions of Section 134(5) of the Companies Act, 2013, your directors hereby confirm:

A. That in preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departments;

B. That the directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs if the Company at the end of the financial year and of the profit and loss of the Company for that period;

C. That the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company for preventing and detecting fraud and other irregularities;

D. That the directors had prepared the annual accounts on a going concern basis;

E. The directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively;

F. The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Board Evaluation

The performance evaluation of the board as well as the Committee was evaluated by the board after seeking inputs from all the directors on the basis of the criteria such as participation in strategy formulation and decision making; participation in Board and Committee meetings; Directions, views and recommendations given to the Company etc.

The board reviewed the performance of the individual directors on the basis of the criteria such as the contribution of the individual director to the board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In addition, the chairman was also evaluated on the key aspects of his role.

In a separate meeting of independent directors, performance of non-independent directors, performance of the board as a whole and performance of the chairman was evaluated, taking into account the views of executive directors and non-executive directors. Performance evaluation of independent directors was done by the entire board, excluding the independent director being evaluated.

Internal Financial Control System

The Company has a well placed, proper and adequate internal financial control system which ensures that all the assets are safeguarded and protected and that the transactions are authorized recorded and reported correctly. The internal audit covers a wide variety of operational matters and ensures compliance with specific standard with regards to availability and suitability of policies and procedures. Share Transfer System

Share transfer system is handled by Satellite Corporate Service Pvt. Ltd., Share Registrar and Transfer Agent (RTA) of the company. Shareholders who are intended to transfer shares are first need to provide transfer form to RTA then RTA check the validity of forms and other details of form and then forward to company for approval.

However, as per SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide (except in case of transmission or transposition of securities) shall not be processed from April 1, 2019 unless the securities are held in the dematerialised form with the depositories. Therefore, Shareholders are requested to take dematerialize the shares on expedite manner.

Dematerialization of Shares and Liquidity:

Company is listed on NSE Emerge platform on 10th May, 2017 and all the shares are traded on NSE Emerge platform w.e.f. 10th May, 2017. To facilitate shareholders for trading in demat form, Company has entered into agreement with both the depositories i.e. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL).

As on 31st March, 2018 out of total 17543352 shares 17285858 i.e. 98.53% shares are in dematerialized mode. All promoters' shares are in dematerialized mode.

Dematerialization of Shares – Process

Those shareholders who hold shares in physical form are requested to dematerialize their shares at earliest. Process of converting physical shares into dematerializes form is as below:

- Shareholders need to open demat account with a Depository Participant (DP)
- Shareholders should collect Dematerialization Request Form (DRF) form from their respective Depository Participant (DP) and after filling requisite information submit DRF form along with original share certificates to their DP.
- DP will process the DRF and will generate a Dematerialization Request Number (DRN)
- DP will submit the DRF and original share certificate to Satellite Corporate Services Private Limited, the Registrar and Transfer Agent (RTA) of the Company.
- RTA will forward DRF to company for confirmation.
- Company will confirm the DRF and request RTA for process demat request.
- RTA will approve or reject DRF as per the direction of Company and inform the same to DP/ Depositories.
- Upon confirmation of request the shareholders will get their shares credited in their respective demat account number.

FORM NO. MR- 3 SECRETARIAL AUDIT REPORT

For the Financial Year Ended 31.03.2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
ZOTA HEALTH CARE LIMITED
(CIN: L24231GJ2000PLC038352)
Zota House, 2/896, Hira Modi Street,
Sagrampura, Surat-395002

I/We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. Zota Health Care Limited**, (hereinafter called the “company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my/our verification on test check basis of the **M/s. Zota Health Care Limited**, books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **31st March, 2019** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **M/s. Zota Health Care Limited** for the financial year ended on **31st March, 2019** according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable during the year:-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (upto 10th November, 2018) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (effective 11th November, 2018);
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **the regulation is not applicable during the Financial Year 2018-19**
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **the regulation is not applicable during the Financial Year 2018-19**
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares)(Amendment) Regulations, 2016; **the regulation is not applicable during the Financial Year 2018-19 and**
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (upto 10th September, 2018, Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018 (effective 11th September, 2018; **the regulation is not applicable during the Financial Year 2018-19**

vi. Other Laws Specifically Applicable to Company:

- a. Income Tax Act, 1961
- b. Goods & Service Tax and other Indirect Taxes
- c. Labour Laws
- d. The Patents Act, 1970
- e. Indian Copyrights Act, 1957
- f. The Trademark Act, 1999
- g. The Drugs and Cosmetics Act, 1940
- h. The Drugs and Cosmetics Rules, 1945
- i. The Drugs (Price Control) Order, 2013
- j. Food Safety and Standards Act, 2006

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards with regard to the Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
- ii. SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During The year under review, the company has generally complied with the provisions of the act, rules, regulations and guidelines mentioned above except Form AOC-4 XBRL filing of XBRL document in respect of financial statement for the year ended 31.03.2018 filed after due date of filling.

I further report that, based on the information provided by the company, its officers and authorised representative during the conduct of the audit, and also on the review of reports by CS/CFO and Statutory Auditor of the company, in my opinion, adequate systems and processes and control mechanism exist in the company to monitor and ensure compliance with applicable general laws.

I further report, that the compliance by the company of applicable financial laws, like direct and indirect tax laws and other business specific laws narrated in point vi has not been reviewed in this audit since the same have been subject to review by statutory financial audit and other designated professionals.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the chairman, the decisions of the board were unanimous and no dissenting views have been recorded.

I/we further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I report further that, during the audit period, there were no specific events/actions in pursuance of the aforesaid laws, rules, regulations, etc. having a major bearing on the company's affairs.

INDEPENDENT AUDITOR'S REPORT

To the members of Zota Health Care Limited

Report on the Audit of the Standalone Financial Statements

We have audited the accompanying Ind AS financial statements of ZOTA HEALTH CARE LIMITED (the "company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flows for the year ended on that date and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider

whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that

is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order") and according to the information and explanations given to us, We enclose in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the

extent applicable.

2. As required by section 143(3) of the Act, we report that :

- a. We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.;
- b. In our opinion proper books of accounts as required by Law have been kept by the company, so far as it appears from our examination of the books;
- c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
- d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses
 - iii. There were no amounts which required to be transferred, to the Investor Education and Protection Fund by the Company

	c. Whether title deeds of immovable properties are held in the name of the company. If not, provide details thereof.	According to the information and explanations given to us, all the immovable properties are in the name of the company.
(ii)	Whether physical verification of inventory has been conducted at reasonable intervals by the management and whether any material discrepancies were noticed and if so, how they have been dealt with in the books of account;	As explained to us, inventory of the Company has been physically verified during the period by the management at regular intervals. No material discrepancies were noticed as compared to the books records, on such physical verification.
(iii)	Whether the company has granted any loans, secured or unsecured to companies, firms or other parties covered by clause (76) of Section 2 of the Companies Act, 2013.	As per the information and explanations given to us, the company has not granted any loans, secured or unsecured, to companies, firms or other parties covered by clause (76) of Section 2 of the Companies Act, 2013.
	a. Whether the terms and conditions of the grant of such loans are not prejudicial to the company's interest;	Not Applicable
	b. Whether receipt of the principal amount and interest are regular. If not provide details thereof; and	Not Applicable
	c. If overdue amount is more than rupees five lakhs, whether reasonable steps have been taken by the company for recovery of the principal and interest;	Not Applicable
(iv)	In respect of loans, investments and guarantees, whether provisions of Section 185 and 186 of the Companies Act, 2013 have been complied with. If not, provide details thereof.	As per the information and explanations given to us, the company has complied with the provisions of Sec-185 & Sec-186 of the Companies Act, 2013.
(v)	In case the company has accepted deposits, whether the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder, where applicable, have been complied with? If not, the nature of such contraventions be stated; If an order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal, whether the same has been complied with or not?	According to the information and explanations given to us, the Company has not accepted deposits from the public and the other security deposits accepted are not considered as deposits as per section 73 to 76. Accordingly, the provisions of Section 73 to 76 of the Companies Act, 2013 and rules framed thereunder have been complied with.
(vi)	Whether maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 and whether such accounts and records have been so made and maintained;	According to the information & explanation given to us, cost records have been maintained by the company as prescribed under sub section (1) of section 148 of the Companies Act, 2013.
(vii)	a. whether the company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-Lax, , service tax, duty of customs,	According to the information and explanations given to us and according to the records, the Company has generally been regular in depositing undisputed statutory dues with appropriate authorities

	duty of excise, value added tax, and any other statutory dues with the appropriate authorities and if not, the extent of the arrears of outstanding statutory dues as at the last day of the financial year concerned for a period of more than six months from the date they became payable, shall be indicated by the auditor.	during the year. According to the and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March 2019 for a period of more than six months from the date they became payable.
	b. Where dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax have not been deposited on account of any dispute, then the amounts involved and the forum where dispute is pending shall be mentioned. (A mere representation to the concerned Department shall not be treated as a dispute).	According to the information and explanations given to us and the statutory examination of the records, there are no disputed dues which have not been deposited on account of Disputed matters pending before the appellate authorities.
(viii)	Whether the company has defaulted in repayment of dues to a financial institution or bank or debenture holders? If yes, the period and amount of default to be reported (in case of banks and financial institutions, lender wise details to be provided).	In our opinion and according to the information and explanation given to us, the Company has not defaulted in repayment of dues to the bank or financial institutions during the reported period.
(ix)	Whether moneys raised by way of public issue/ follow-on offer (including debt instruments) and term loans were applied for the purposes for which those are raised. If not, the details together with delays / default and subsequent rectification, if any, as may be applicable, be reported;	According to the information and explanations provided to us, the Company has utilized the monies raised by way of initial public offer for the purpose for which they were raised.
(x)	Whether any fraud by the company or any fraud on the Company by its officers/ employees has been noticed or reported during the year; if yes, the nature and the amount involved be indicated.	According to the information and explanations given to us, no fraud has been noticed or reported during the year by the company or on the company.
(xi)	Whether managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of section 197 read with schedule V to the Companies Act? If not, state the amount involved and steps taken by the company for securing refund of the same.	According to information given to us, managerial remuneration has been paid in accordance with the provisions of section 197 read with schedule V of the Companies Act, 2013.
(xii)	Whether the Nidhi Company has complied with the Net Owned Fund in the ratio of 1: 20 to meet out the liability and whether the Nidhi Company is maintaining 10% liquid assets to meet out the unencumbered liability.	Not Applicable
(xiii)	Whether all transactions with the related parties are in compliance with Section 188 and 177 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc. as required by the accounting standards and Companies Act, 2013.	According to the information given to us all transactions with the related parties are in compliance with Section 188 and 177 of the Companies Act, 2013. Also, the details of the related party transactions have been disclosed in the Financial Statements as required by the accounting standards and the Companies Act, 2013.
(xiv)	Whether the company has made any preferential allotment / private placement of shares or fully or partly convertible debentures during the year under review and if so, as to whether the requirement of Section 42 of the Companies Act, 2013 have been complied and the amount raised have been used for the purposes for which the funds were raised. If not, provide details thereof.	According to the information and explanations given to us, the company has not made any preferential allotment / private placement of shares or fully or partly convertible debentures during the year under review.
(xv)	Whether the company has entered into any non-cash transactions with directors or persons connected with him and if so, whether provisions of Section 192 of Companies Act, 2013 have been complied with.	According to the information and explanations given to us, the company has not entered into any non-cash transactions with directors or persons connected with him.
(xvi)	Whether the company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and if so, whether the registration has been obtained.	Not Applicable

ANNEXURE “B”

To the Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ZOTA HEALTH CARE LIMITED (“the Company”) as of 31st March 2019 in conjunction with our audit of the standalone financial statements of the Company for the period ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the condensed financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENT

NOTE # C-01

Corporate Information:

Zota Health Care Ltd. is a company domiciled in India and Incorporated under the provisions of the Companies Act, 1956. The company is engaged in the Manufacturing & Trading in Pharmaceutical Products. The company caters to both domestic and international markets.

NOTE # C-02

1. Significant Accounting Policies

1.1 Basis of Preparation of Financial Statements:

The financial statements are prepared on the accrual basis of accounting and in accordance with the Indian Accounting Standards (hereinafter referred to as the Ind AS) as prescribed under Section 133 of the Companies Act, 2013 (the Act) (as amended) and other relevant provisions of the Act.

Historical cost convention - The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities that are measured at fair value,
- Share based payments; and
- defined benefit plans - plan assets measured at fair value

1.2 Summary of significant accounting policies

i. Current and non-current classification

The assets and liabilities reported in the balance sheet are classified on a "current/non-current basis".

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting date, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

ii Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The fair value measurement of a non-financial asset takes into account market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Where required/appropriate, external valuers are involved.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) prices in active market for identical assets or liabilities.
- Level 2 (if level 1 feed is not available/appropriate) - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 (if level 1 and 2 feed is not available/appropriate) - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amount approximates fair value due to the short maturity of these instruments. The Company recognizes transfers between levels of fair value hierarchy at the end of reporting period during which change has occurred.

iii. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, is responsible for allocating resources and assessing performance of the operating segments and makes strategic decisions.

iv. Foreign currency translation

Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian Rupees (INR), which is Zota Health Care Limited's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of

Profit and Loss. Non-monetary items that are measured at historical cost in foreign currency are not retranslated. All non-monetary items denominated in foreign currency are carried at historical cost or other similar valuation and are reported using the exchange rate that existed when the values were determined.

Effective April 1, 2018 the company has adopted Appendix B to Ind AS 21- Foreign Currency Transactions and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when an entity has received or paid advance consideration in a foreign currency. The effect on account of adoption of this amendment was insignificant.

v. Revenue recognition

The following is a summary of new and/or revised significant accounting policies related to revenue recognition. Refer Note 1 “Significant Accounting Policies,” in the Company’s 2017-2018 Annual Report for the policies in effect for revenue prior to April 1, 2018. The effect on adoption of Ind AS 115 was insignificant.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Arrangements with customers for sale of goods are on a fixed-price.

Applying the practical expedient as given in Ind AS 115, revenue from fixed-price where there is no uncertainty as to measurement or collectability of consideration, is recognized in the amount to which the entity has a right to invoice”. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity.

Revenues in excess of invoicing are classified as contract assets (which we refer as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as unearned revenues).

Revenue from licenses where the customer obtains a “right to use” the licenses is recognized at the time the license is made available to the customer.

The company accounts for volume discounts and pricing incentives to customers as a reduction of revenue based on the ratable allocation of the discounts/incentives to each of the underlying performance obligation that corresponds to the progress by the customer towards earning the discount/ incentive.

If it is probable that the criteria for the discount will not be met, or if the amount thereof cannot be estimated reliably, then discount is not recognized until the payment is probable and the amount can be estimated reliably.

Trade receivables and Contract Balances:

The company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue.

A receivable is a right to consideration that is unconditional upon passage of time.

Revenues in excess of billings is recorded as unbilled revenue and is classified as a financial asset for these cases as right to consideration is unconditional upon passage of time.

Invoicing in excess of earnings are classified as unearned revenue.

Trade receivable and unbilled revenues are presented net of impairment in the Balance Sheet.

The impact on account of applying the erstwhile Ind AS 18 Revenue instead of Ind AS 115 Revenue from contract with customers on the financials results of the Company for the year ended and as at March 31, 2019 is insignificant.

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate, which is the rate that exactly discounts the estimated future cash receipts through the expected life of the financial instrument. Interest income is included in ‘Other Income’ in the Statement of Profit and Loss.

vi. Government grants

Government grants are initially recognized as deferred income at fair value if there is reasonable assurance that they will be received and the Company will comply with the conditions associated with the grant;

- In case of capital grants, they are then recognized in Statement of Profit and Loss on a systematic basis over the useful life of the asset.

- In case of grants that compensate the Company for expenses incurred are recognized in Statement of Profit and Loss on a systematic basis in the periods in which the expenses are recognized.

Export benefits available under prevalent schemes are accrued in the year in which the goods are exported and there is no uncertainty in receiving the same.

vi. Income tax

The income tax expense or credit for the period is the tax payable on the current period’s taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

Current income tax

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The provision for current tax is made at the rate of tax as applicable for the income of the previous year as defined under the Income tax Act, 1961. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provision where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current tax assets and current tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax

Deferred tax is recognized using the Balance Sheet approach on temporary differences at the reporting date arising between the tax bases of assets and liabilities and their carrying amounts for the financial reporting purpose at the reporting date.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current and deferred tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

viii. Leases

As a lessee

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease except where payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases or another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

As a lessor

Lease income from operating leases where the company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases or another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. The respective leased assets are included in the Balance Sheet based on their nature. Costs, including depreciation, on such leased assets are recognized as an expense in the Statement of Profit and Loss.

ix. Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of non-financial assets except inventories to ascertain whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Intangible assets excluding goodwill with indefinite useful lives are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Goodwill is tested for impairment annually and when circumstances indicate that the carrying value may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount of the asset does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss.

x. Cash and cash equivalents

For the purpose of presentation in the Statement of Cash Flows, Cash and Cash Equivalents includes balance with banks and demand deposits with banks with original maturities of three months or less and other short term

highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

xi. Inventories

Raw Materials & Stores & Spares : Valued at Cost.

Finished Goods & WIP : valued at lower of Cost or Net Realisable Value.

Stock in Trade (in respect of goods acquired for trading): Valued at Cost.

Other Inventories: Valued at Cost.

- Cost of raw materials and Stores & Spares includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition.
- Cost of work-in-progress and finished goods includes direct materials, labour and proportion of manufacturing overheads based on the normal operating capacity, wherever applicable.
- Cost of finished goods includes excise duty and other costs incurred in bringing the inventories to their present location and conditions.
- Cost of stock-in-trade includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be used are expected to be sold at or above cost.

xii. Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial assets:

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Initial recognition and measurement

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Profit and Loss are expensed in the Statement of Profit and Loss.

Subsequent measurement

After initial recognition, financial assets are measured at: fair value (either through other comprehensive income or through Profit and Loss), or amortized cost.

Debt instruments

Debt instruments are subsequently measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through Profit and Loss ('FVTPL') till de-recognition on the basis of:

- i. the entity's business model for managing the financial assets and
- ii. the contractual cash flow characteristics of the financial asset.

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured

at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost is recognized in the Statement of Profit and Loss when the asset is derecognized or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

xiii. Fair Value Through Other Comprehensive Income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair Value Through Profit and Loss (FVTPL):

Assets that do not meet the criteria for amortized cost or FVOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL is recognized in Statement of Profit and Loss in the period in which it arises. Interest income from these financial assets is recognized in the Statement of Profit and Loss.

Equity instruments

Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Financial liabilities:

Initial recognition and measurement

Financial liabilities are initially measured at its fair value plus or minus, in the case of a financial liability not at FVTPL, transaction costs that are directly attributable to the issue/origination of the financial liability.

Subsequent measurement

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit and loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in Statement of profit and loss. Any gain or loss on de-recognition is also recognized in statement of Profit and Loss.

De-recognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

xiv . Property, Plant and Equipment (PPE)

Items of Property, plant and equipment acquired or constructed are initially recognized at historical cost net of recoverable taxes, duties, trade discounts and rebates, less accumulated depreciation and impairment loss, if any. The historical cost of Property, plant and equipment comprises of its purchase price, borrowing costs and adjustment arising for exchange rate variations attributable to the assets, including any cost directly attributable to bringing

the assets to their working condition for their intended use.

Capital Work-in-Progress represents Property, plant and equipment that are not ready for their intended use as at the reporting date.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The Company identifies and determines cost of each component/part of the plant and equipment separately, if the component/part has a cost which is significant to the total cost of the plant and equipment and has useful lives that is materially different from that of the remaining plant and equipment.

The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the year in which they are incurred.

Gains and losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Depreciation methods, estimated useful lives and residual values:

Depreciation is provided, pro-rata for the period in use, on the written down value method based on the respective estimate of useful lives given below. Estimated useful lives of assets are determined based on technical parameters/ assessments.

The Management believes that useful lives currently used, which is prescribed under Part C of Schedule II to the Companies Act, 2013, fairly reflects its estimate of the useful lives and residual values of PPE.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of PPE outstanding at each Balance Sheet date is classified as capital advances under 'Other non-current assets' and cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

xv. Intangible assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

xvi. Research and Development Expenditure

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss. Development expenditure of certain nature is capitalized when the criteria for recognizing an intangible asset are met.

xvii. Provisions and contingent liabilities

Provisions

Provisions are recognized when there is a present legal or constructive obligation as a result of a past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingencies

Contingent liabilities are disclosed in the Notes to the financial statements. Contingent liabilities are disclosed for

- when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or
- a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

xviii. Earnings per Share

Basic earnings per share is calculated by dividing the net profit after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

xix. Employee benefits

Short term benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, bonus, short term compensated absences and the expected cost of gratuity is recognized in the period in which the employee renders the related service.

Post-employment benefit obligations

Defined contribution Plan: Provident fund and pension scheme are Defined Contribution Plans in the Company. The Company is a member of recognized Provident Fund scheme established under The Provident Fund & Miscellaneous Act, 1952 by the Government of India. The amount of contribution is being deposited each and every month well within the time under the rules of EPF Scheme. The contribution paid or payable under the scheme is recognized during the period under which the employee renders the related services

Defined Benefit Plan: The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in other comprehensive income.

xx. Cash flow statement

Cash flows are reported using the Indirect Method, as set out in Ind-AS 7 'Statement of Cash Flow', whereby profit for the year is adjusted for the effects of transaction of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2. Recent Accounting Pronouncements

Ind AS 116, Leases

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019.

Amendment to Ind AS 12 – Income taxes

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

Amendment to Ind AS 19 – plan amendment, curtailment or settlement

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

3. Significant Judgements and Estimates

The preparation of the Company's financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amount of assets, liabilities, revenue, expenses, and the accompanying disclosures and the disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes

that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when financial statements were prepared. These estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the year in which the estimates are revised and in any future year affected.

Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation at the reporting date, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

The areas involving critical estimates and judgements are:

- Useful lives of Property, plant and equipment and intangibles [Refer Note No. 1.2 (xiv.)]
- Measurement of defined benefit obligations [Refer Note No. 1.2 (xix.)]
- Provision for inventories [Refer Note No. 1.2 (xi.)]
- Measurement and likelihood of occurrence of provisions and contingencies [Refer Note No. 1.2 (xvii.)]
- Impairment of trade receivables
- Deferred Taxes

For investment in equity instrument made in Prime Co-Op Bank, the cost (i.e. carrying value) represents the best estimate of fair value considering the nature of the investment.

Fair value of financial assets/liabilities measured at amortised cost

The carrying amounts of trade receivables, cash and cash equivalents, other bank balances, current loans, other financial assets, trade payables, other financial liabilities are considered to be the same as their fair values, as they are current in nature.

6 Post employment employee benefits plans

Gratuity

Gratuity is payable to all eligible employees of the Company on superannuation, death and permanent disablement in terms of provisions of the Payment of Gratuity Act or as per the Company's Scheme whichever is more beneficial. Benefit would be paid at the time of separation based on the last drawn base salary.

Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity and the amounts recognised in the Company's financial statements as at the Balance Sheet date:

Actuarial Assumptions

Particulars	Gratuity 2018-19
Discount Rate (per annum)	7.70%
Expected Rate of Return	
Salary Escalation rate	9.00%
Retirement Age	60
Mortality	Indian Assured Lives Mortality (2006-08) Ultimate
Employees attrition rate	5% at younger ages and reducing to 1% at older ages according to graduated scale

Notes:

1 Estimates of future salary increase are based on inflation, seniority, promotion and other relevant factors such as demand and supply in the employment market. This assumption has been determined in consultation with the company.

2 Discount Rate used for valuing liabilities is based on yields (as on valuation date) of Government Bonds with a tenure similar to the expected working lifetime of the employees.

i) Reconciliation of present value of obligations ('PVO') – defined benefit obligation:

Particulars	2018-19 Gratuity Amount in ₹
Liability at the beginning of the period	49,17,913
Interest Cost	3,78,680
Current Service Cost	17,38,473
Employees Contribution	-
Interest Guarantee	-
Benefits Paid	-
Transfer from previous employer's	-
Liability Transfer In	-
Liability Transfer Out	-
Actuarial (gain) / loss on Financial Assumption	-
Actuarial (gain) / loss on Demographic Assumption	-
Actuarial (gain) / loss on Experience	9,21,714
Liability at the end of the year	79,56,780

ii) Amount Recognised in the Balance Sheet

Particulars	2018-19 Gratuity Amount in ₹
Present Value of Benefit Obligation on 31-3-2019	79,56,780
Fair Value of Plan Assets on 31-3-2019	-
Net Liability / (Asset) recognised in Balance Sheet	79,56,780

iii) Expenses Recognised in the Income Statement

Particulars	2018-19 Gratuity Amount in ₹
Current Service Cost	17,38,473
Interest Cost on benefit obligation (net)	3,78,680
Past Service Cost	-
Expected Contribution	-
Gain / Losses on Curtailment and Settlement	-
Net Effect of Change in Foreign Exchange Rates	-
Expenses Recognised	21,17,153

iv) Expenses Recognised in Other Comprehensive Income (OCI) for current Period

Particulars	2018-19 Gratuity Amount in ₹
Actuarial changes arising from changes in financial assumptions	-
Actuarial changes arising from changes in demographic adjustments	-
Actuarial changes arising from changes in experience adjustments	9,21,714
Net (Income) / Expense for period	9,21,714

v) Maturity profile of defined benefit obligations

Projected Benefits Payable in Future Years From the Date of Reporting	31-03-2019 Amount in ₹
1st Following Year	3,91,825
2nd Following Year	2,09,648
3rd Following Year	2,02,415
4th Following Year	2,13,281
5th Following Year	2,63,258
6 to 10 years	26,04,493

vi) Sensitivity Analysis Gratuity Plan

Particulars	2018-19 Gratuity Amount in ₹
Projected Benefit Obligation on Current Assumptions	79,56,780
Delta Effect of +1% Change in Rate of Discounting	69,34,533
Delta Effect of -1% Change in Rate of Discounting	92,11,734
Delta Effect of +1% Change in Rate of Salary Increase	91,82,697
Delta Effect of -1% Change in Rate of Salary Increase	69,37,100
Delta Effect of +1% Change in Rate of Employee Turnover	78,95,332
Delta Effect of -1% Change in Rate of Employee Turnover	80,23,515

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

vii) Risk exposure :

Gratuity is a defined benefit plan and company is exposed to the Following Risks:

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay- out based on pay as you go basis from own funds.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

7. All known liabilities have been provided for in the books of accounts for the year under report.
8. Balances of depositors, sundry debtors, creditors and loans and advances are subject to confirmation and reconciliation.
9. The quantity and value of closing stock is certified by the management as true and correct.
10. Previous year's figures have been regrouped / recast wherever necessary to conform to current interim period's presentation.
11. Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006

On the basis of confirmation obtained from suppliers who have registered themselves under the Micro, Small Medium Enterprise Development Act, 2006 (MSMED Act, 2006) and based on the information available with the Company, the following are the details:

Particulars	31st March, 2019 (₹)	31st March, 2018 (₹)
Principal amount remaining unpaid	20,44,021	(Refer Note i)
Interest due thereon remaining unpaid	-	
Interest paid by the Company in terms of Section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along-with the amount of the payment made to the supplier beyond the appointed day during the period	-	
Interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the period) but without adding interest specified under the Micro, Small and Medium Enterprises Act, 2006	-	
Interest accrued and remaining unpaid	-	
Interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises	-	

Note: i As at 31st March, 2018; the Company was not in a position to identify the amount of balances due to small-scale industrial (SSI) undertakings in absence of sufficient information from suppliers regarding their status as SSI undertakings.

12 Auditor's remuneration and expenses charged to profit and loss account are as under:

INDEPENDENT AUDITOR'S REPORT

To the members of Zota Health Care Limited

Report on the Audit of the Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of ZOTA HEALTH CARE LIMITED (the "company"), and its subsidiary (the Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2019, of consolidated profit/loss, (consolidated changes in equity) and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associates and jointly controlled entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associates and jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs

will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we

identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of the subsidiary which reflect total assets of Rs.78,980 as at 31st March, 2019, total revenues of Rs.Nil and total net loss of Rs.35,049; and total comprehensive income of Rs. (33,566) for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements:

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, (the consolidated Statement of Changes in Equity) and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2019 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company, none of the directors of the Company incorporated in India is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. There were no pending litigations which would impact the consolidated financial position of the Group.
- ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.

ANNEXURE ‘B’

To the members of Zota Health Care Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2019, we have audited the internal financial controls over financial reporting of ZOTA HEALTH CARE LIMITED (“the Company”) as of that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the condensed financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENT

NOTE # H-01

Corporate Information :

The Consolidated Financial Statements comprise financial statements of Zota Health Care Ltd. ("the Holding Company") and its subsidiary (collectively referred to as "the Group") for the year ended 31st March, 2019.

The Group is engaged in the Manufacturing & Trading in Pharmaceutical Products. The Group caters to both domestic and international markets.

NOTE # H-02

1. SIGNIFICANT ACCOUNTING POLICIES

1.1	Basis of Preparation of Financial Statements:
a.	The Consolidated financial statements are prepared on the accrual basis of accounting and in accordance with the Indian Accounting Standards (hereinafter referred to as the Ind AS) as prescribed under Section 133 of the Companies Act, 2013 (the Act) (as amended) and other relevant provisions of the Act. The Company has incorporated wholly owned subsidiary company in Sri Lanka in the Financial year 2018-19, prior this Company does not have any wholly owned subsidiary company. So, accordingly no consolidated accounts have been prepared for the Financial year 2017-18.
b.	Historical cost convention
	The Consolidated financial statements have been prepared on a historical cost basis, except for the following:
	- certain financial assets and liabilities that are measured at fair value,
	- Share based payments; and
	- defined benefit plans - plan assets measured at fair value
1.2	Principles Of Consolidation
a.	The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
b.	In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Currency Translation Reserve (FCTR).
c.	The audited / unaudited financial statements of foreign subsidiaries / joint ventures / associates have been prepared in accordance with the Generally Accepted Accounting Principle of its Country of Incorporation or Ind AS.
d.	The differences in accounting policies of the Holding Company and its subsidiaries / associates are not material.
e.	The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
f.	The carrying amount of the parent's investment in each subsidiary is offset (eliminated) against the parent's portion of equity in each subsidiary.
g.	Non Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
h.	Non Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.
1.3	Summary of significant accounting policies
	These are set out under "Significant Accounting Policies" as given in the Company's standalone financial statements.

2. Recent Accounting Pronouncements

Ind AS 116, Leases

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019.

Amendment to Ind AS 12 – Income taxes

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

Amendment to Ind AS 19 – plan amendment, curtailment or settlement

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

3. Significant Judgements and Estimates

The preparation of the Company's financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amount of assets, liabilities, revenue, expenses, and the accompanying disclosures and the disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when financial statements were prepared. These estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the year in which the estimates are revised and in any future year affected.

Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation at the reporting date, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

The areas involving critical estimates and judgements are:

- Useful lives of Property, plant and equipment and intangibles [Refer Note No. 1.2 (xiv.)]
- Measurement of defined benefit obligations [Refer Note No. 1.2 (xix.)]
- Provision for inventories [Refer Note No. 1.2 (xi.)]
- Measurement and likelihood of occurrence of provisions and contingencies [Refer Note No. 1.2 (xvii.)]
- Impairment of trade receivables
- Deferred Taxes

Fair value of financial assets and financial liabilities measured at amortised cost.	March 31, 2019	
	Carrying value	Fair value
Financial assets at amortised cost		
Fixed deposits	15,59,18,720	15,59,18,720
Financial assets at FVTPL		
Investments in equity instruments (unquoted)*	100	100
Zota Healthcare Nig. Ltd.	1,97,300	1,97,300

For investment in equity instrument made in Prime Co-Op Bank, the cost (i.e. carrying value) represents the best estimate of fair value considering the nature of the investment.

Fair value of financial assets/liabilities measured at amortised cost

The carrying amounts of trade receivables, cash and cash equivalents, other bank balances, current loans, other financial assets, trade payables, other financial liabilities are considered to be the same as their fair values, as they are current in nature.

6 Post employment employee benefits plans

Gratuity

Gratuity is payable to all eligible employees of the Company on superannuation, death and permanent disablement in terms of provisions of the Payment of Gratuity Act or as per the Company's Scheme whichever is more beneficial. Benefit would be paid at the time of separation based on the last drawn base salary.

Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity and the amounts recognised in the Company's financial statements as at the Balance Sheet date:

Actuarial Assumptions

Particulars	Gratuity 2018-19
Discount Rate (per annum)	7.70%
Expected Rate of Return	
Salary Escalation rate	9.00%
Retirement Age	60
Mortality	Indian Assured Lives Mortality (2006-08) Ultimate
Employees attrition rate	5% at younger ages and reducing to 1% at older ages according to graduated scale

Notes:

1 Estimates of future salary increase are based on inflation, seniority, promotion and other relevant factors such as demand and supply in the employment market. This assumption has been determined in consultation with the company.

2 Discount Rate used for valuing liabilities is based on yields (as on valuation date) of Government Bonds with a tenure similar to the expected working lifetime of the employees.

i) Reconciliation of present value of obligations ('PVO') – defined benefit obligation:

Particulars	2018-19 Gratuity Amount in ₹
Liability at the beginning of the period	49,17,913
Interest Cost	3,78,680
Current Service Cost	17,38,473
Employees Contribution	-
Interest Guarantee	-
Benefits Paid	-
Transfer from previous employer's	-
Liability Transfer In	-
Liability Transfer Out	-
Actuarial (gain) / loss on Financial Assumption	-
Actuarial (gain) / loss on Demographic Assumption	-
Actuarial (gain) / loss on Experience	9,21,714
Liability at the end of the year	79,56,780

ii) Amount Recognised in the Balance Sheet

Particulars	2018-19 Gratuity Amount in ₹
Present Value of Benefit Obligation on 31-3-2019	79,56,780
Fair Value of Plan Assets on 31-3-2019	-
Net Liability / (Asset) recognised in Balance Sheet	79,56,780

iii) Expenses Recognised in the Income Statement

Particulars	2018-19 Gratuity Amount in ₹
Current Service Cost	17,38,473
Interest Cost on benefit obligation (net)	3,78,680
Past Service Cost	-
Expected Contribution	-
Gain / Losses on Curtailment and Settlement	-
Net Effect of Change in Foreign Exchange Rates	-
Expenses Recognised	21,17,153

iv) Expenses Recognised in Other Comprehensive Income (OCI) for current Period

Particulars	2018-19 Gratuity Amount in ₹
Actuarial changes arising from changes in financial assumptions	-
Actuarial changes arising from changes in demographic adjustments	-
Actuarial changes arising from changes in experience adjustments	9,21,714
Net (Income) / Expense for period	9,21,714

v) Maturity profile of defined benefit obligations

Projected Benefits Payable in Future Years From the Date of Reporting	31-03-2019 Amount in ₹
1st Following Year	3,91,825
2nd Following Year	2,09,648
3rd Following Year	2,02,415
4th Following Year	2,13,281
5th Following Year	2,63,258
6 to 10 years	26,04,493

vi) Sensitivity Analysis Gratuity Plan

Particulars	2018-19 Gratuity Amount in ₹
Projected Benefit Obligation on Current Assumptions	79,56,780
Delta Effect of +1% Change in Rate of Discounting	69,34,533
Delta Effect of -1% Change in Rate of Discounting	92,11,734
Delta Effect of +1% Change in Rate of Salary Increase	91,82,697
Delta Effect of -1% Change in Rate of Salary Increase	69,37,100
Delta Effect of +1% Change in Rate of Employee Turnover	78,95,332
Delta Effect of -1% Change in Rate of Employee Turnover	80,23,515

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

vii) Risk exposure :

Gratuity is a defined benefit plan and company is exposed to the Following Risks:

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay- out based on pay as you go basis from own funds.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

7. All known liabilities have been provided for in the books of accounts for the year under report.
8. Balances of depositors, sundry debtors, creditors and loans and advances are subject to confirmation and reconciliation.
9. The quantity and value of closing stock is certified by the management as true and correct.
10. Previous year's figures have been regrouped / recast wherever necessary to conform to current interim period's presentation.
11. Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006

On the basis of confirmation obtained from suppliers who have registered themselves under the Micro, Small Medium Enterprise Development Act, 2006 (MSMED Act, 2006) and based on the information available with the Company, the following are the details:

Particulars	31st March, 2019 (₹)
Principal amount remaining unpaid	20,44,021
Interest due thereon remaining unpaid	-
Interest paid by the Company in terms of Section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along-with the amount of the payment made to the supplier beyond the appointed day during the period	-
Interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the period) but without adding interest specified under the Micro, Small and Medium Enterprises Act, 2006	-
Interest accrued and remaining unpaid	-
Interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises	-

Note: i As at 31st March, 2018; the Company was not in a position to identify the amount of balances due to small-scale industrial (SSI) undertakings in absence of sufficient information from suppliers regarding their status as SSI undertakings.

Shareholders Signature

Note: This form of proxy in order to be effective should be duly completed and deposited at the Registered Office of the Company, not less than 48 hours before the commencement of the Meeting.

The instructions for shareholders voting electronically are as under:

(i) The e-voting period begins on Wednesday, September 18, 2019 at 09.30 a.m. (IST) and ends on Friday, September 20, 2019 at 5.00 p.m. (IST). During this period Shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Friday, September 13, 2019 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) The Shareholders should log on to the e-voting website www.evotingindia.com.

(iii) Click on Shareholders / Members

(iv) Now Enter your User ID

- For CDSL: 16 digits beneficiary ID,
- For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
- Members holding shares in Physical Form should enter Folio Number registered with the Company.

(v) Next enter the Image Verification as displayed and Click on Login.

(vi) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

(vii) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN	Enter your 10-digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number which is printed on Postal Ballot / Attendance Slip indicated in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. E.g. If your name is Ramesh Kumar with serial number 1 then enter RA00000001 in the PAN field. Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (iv).

(viii) After entering these details appropriately, click on “SUBMIT” tab.

(ix) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

(x) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

(xi) Click on the EVSN of ZOTA HEALTH CARE LIMITED on which you choose to vote.

(xii) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

(xiii) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.

(xiv) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.

(xv) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote

(xvi) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.

(xvii) If a demat account holder has forgotten the changed login password, then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

(xviii) Shareholders can also cast their vote using CDSL’s mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.

(xix) Note for Non – Individual Shareholders and Custodians

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.
