Zota Health Care Limited Expands Davaindia Network to 1,413 Operational Stores, Surpassing 707 COCO Operational Stores

Surat, January 28, 2025: Zota Health Care Ltd (NSE: Zota): Zota Health Care Limited is pleased to announce a significant milestone in the growth of its Davaindia network, with the total number of operational stores increasing to 1,413 as of 28th January 2025 with the blend of 707 COCO stores and 706 Franchisee Owned Franchisee Operated (FOFO) stores, up from 1,294 on 4th December 2024. A major contributor to this achievement has been the remarkable growth in Company-Owned Company-Operated (COCO) stores, which have surpassed the 700-store mark, increasing from 601 to 707 in just fifty-five days.

As Zota Health Care continues to grow, the company remains focused on strengthening its direct retail presence and expanding its reach to more customers across India.

Commenting on operational development, Mr. Ketankumar Zota, Chairman, Zota Health Care Limited said, *“Reaching 1,413 operational stores, with over 700+ COCO stores, marks a key moment in our journey towards enhancing our direct retail presence and expanding our footprint. We are equally encouraged by the consistent performance of our existing operational stores, which continue to demonstrate solid growth, driven by the loyalty and trust of our customers.*

Looking ahead, we remain focused on accelerating our store expansion, enhancing our operational efficiencies, and continually improving our value proposition. Our commitment to making high-quality, affordable healthcare accessible to all will remain at the core of our strategy, and we are excited about the future opportunities ahead.”

About Zota Health Care Limited:

Zota Health Care Ltd. (Zota), listed on the NSE, has been a key player in the Indian healthcare industry since 2000. Headquartered in Surat, Zota's team of over 470 professionals drives its growth and strong market presence. The company specialises in the development, manufacturing, and marketing of high-quality pharmaceutical, ayurvedic, nutraceutical, and over-the-counter products.
